To the Honorable

The Commissioner of Indian Affairs.
Washington. D. C.

Sir:

I have no further information of the additional party of Crows your letter of April 23rd says would be here after July 1st. I am anxious to get rid of the four diseased ones who came in the first party.

If the other party is not coming soon, I request that the Office provide for the return of these four.

I hope some method will be found to cover the return expense and not take from my appropriation.

Should there be any change about bringing in the additional party, these

could be sent back without escort.

Very respectfully
