To the Honorable

The Com^r of Ind ^{Affairs}
Washington, D.C.

Sir.

Before leaving Carlisle, I had a letter from Paul James of Phila. asking me to accept a few Children from a School in Neb. in which he and other friends were interested. I said in reply I could, but needed your authority, suggesting that he write you. I now have the enclosed.

I am very willing to undertake two more boys and two girls, and in addition Lizzie Gamble may return. Mr James is a friend and contributor to Carlisle.

If you give authority and it can reach me at the Palmer House Chicago by the 17th. I will arrange to bring them in with my Sioux party. Very respectfully

Carlisle, Pa.

Dr. Sir:

Referring to your letter of the 17th
inst. to Saml. Francis of Phila. can I
promise the youths that will consent
to go that they can without fail (not
more than four) and is it positively
necessary that the eyes be equally di-
vided?

Lizzie Gamble has arrived home; is it
your desire that she return, and did
you make any provision for expense
of her return trip?

Have you decided upon the route
of the Band of Zion, and at what
time?

I want to send four, and Lij. Gamble
also, from here if possible.

Please do your best to keep Charles Kicego
and Elwood Dorian, Reply. S. K. Robbins
