Supt. Indian School,

Sir:-

Referring to your communication of the 19th inst. wherein you submit a list of property which has become unserviceable by being worn out and broken in the public service, and you request such action of this Office as will enable you to drop the same from your returns: You are directed to convene a board of survey upon the said property, composed of three disinterested persons whom you shall instruct not to condemn anything that can be made use of in any way. articles absolutely worthless will be destroyed.
