Sir:-

When last in Washington in your Office I had some conversation about hand Grenades, and was informed that the Department was ordering a quantity for the Schools at Lawrence + Chilocca. I desired that some be sent to Carlisle - I think I said two dozen. - I have today received the inclosed letter in this connection and if the hand Grenades are not already forwarded, I make the request that two or three dozen be sent us.

Very respectfully,
Your obt. Servt.
