Indian Industrial School,

Carlisle, Pa., Aug 15th 1885

To the Hon.

The Commissioner of Indian Affairs
Washington D. C.

Sir,

In regard to my request for authorities of June 15th replied to by you on the 5th inst marked "O & C. 13474" I have deemed it best to prepare a list covering our wants so far as I am able for the current year and to give you the prices at which I can purchase the same, viz

Proceries

4000 pounds of Hard Country Soap at 06 [¢]	\$ 240.00
100 Gallons Vinegar at 15 [¢] for gallon	\$ 15.00
	<u>\$ 255.00</u>

But if we must take the soap purchased by the Department and it is the same in quality we had last year I request that seven thousand (7000) pounds be sent, as it will take that or more to see us through.

Crockery & Table Ware

50 dozen 1 quart Bowls at 83 [¢] per dozen	\$ 41.50
50 " 1 pint " " 69 [¢] " "	34.50

Approved by J. H. G. for him buy.

Approved by J. H. G. for himself.

I desire a uniform Refurnish for our Dining Hall. The system of purchase has given to us a multiplicity of sizes, shapes and quality which greatly increases the breakage. I count now in my Dining Hall eight different varieties, shapes, sizes and qualities of quart bowls, and other articles are equally varied. The above is for Iron Stone China.

We need a better quality of Wool Hoats than
 the Department furnishes for the reason that almost
 immediately the cheap ones supplied us look shabby
 and disgraceful and our experience is that the increased
 price is more than overcome by the increased wear.
 If the Womens Shoes purchased by the Department
 this year are not better than last year and the years
 previous I would rather none.
