Commissioner of Indian Affairs

Sir:

I acknowledge the receipt
of your letter of date Aug 22nd 1885
"C & E". I will be very careful that
all the requirements of the department
be complied with in selecting children
for Carlisle. I desire to accompany
the children myself. And will be
ready to start as soon as transportation
can be furnished. I have
not made the selection yet.
but several have made application
which are desirable. It will be
a economy for me to accompany them

I desire to make a few matters
purchase of Coal &c while in
St Louis on my return.

When I took the other party
East the Company gave me a pass
to Carlisle and return. So my journey
was made without cost to the Government.

I prefer to take the party over
the Pennsylvania & Pennsylvania

I believe ^{in the best} the interests of the service
that I be allowed to accompany the
party, and to visit Washington one
or two days -

Very respectfully,
H. M. Rippeath
