Supt.

United States Indian Service,

Winnipeg

Agency, Neb.

October 16th, 1885

The reason
given by Sinda-ha-ha
for desiring the return of
his boy is not deemed
sufficient by the P. O.

To the Honorable
Commissioner of Indian Affairs,
Washington
D.C.

Sir:

At the earnest request of Sinda-ha-ha,
(an Omaha Councilman), I address you this
communication. Sinda-ha-ha has a son
at the Indian Industrial School, Carlisle, Penn.,
whom he desires to have returned home. He urges,
as a reason for his return, that he is an old
man and is now living alone. I promised him
that I would place the subject of his request before
you, but gave him no encouragement that it
would receive your favorable consideration.

I am sir

Very respectfully

Your Obedt. Servt.

Chas. H. Potter

U. S. Indian Agent.
