To the Hon.

The Commr. of Indian Affairs,
Washington, D.C.

Sir:-

I have just made a practical test of the "Hand Grenades" sent us by the Department in April 1885, and have to inform you that they are utterly worthless. The same quantity of water thrown from a cup or pitcher would serve a better purpose.

Very Respectfully
Your Obedt. Servt.

R.H. Poatt

Capt. 10th Cav.
Inft.
