Sir-

In view of the fact that the appropriation made by Congress at the session just closed is available at once, and also that the United States is now in possession of the Parker Farm and that the owners are demanding their money, I respectfully request that the (\$18,000) eighteen thousand dollars appropriated and required to pay for said Farm may be placed to my credit at once, and that the requisition be made special in order to save delay.

Very respectfully

Your obedient servant

R. H. Pratt
