To the Hon.

The Commr. of Indian Affairs,
Washington, D.C.

Sir:-

I have the honor to forward herewith a letter from one of the teachers at Grand River Ind. Terry, an Indian desiring that we take her sister and brother into this School. I am in favor of it. We should always keep a good proportion of the better class of Indians here. Our proportion of the wilder tribes is now larger than it ought to be.

If the Department approves this application, transportation from Seneca, Mo. should be provided for two, who, I think might well travel alone if proper arrangements are made with the Railroad authorities to see them

Dear Sir:-

I understand that you desire more students from this Agency this Fall. I wrote to Col. Summers concerning the matter and he replied that he had not been officially notified but that it would be his pleasure to assist me in securing admission into your school for my sister and brother. My sister is 16 years old since June and my brother 13 yrs since Feb.

any. I am very anxious
for them to enter your
school this Fall if it be
possible. If you will
accept them and can do
any thing to assist me in
gaining for them admission
I will be greatly obliged.
We are Wyandotte Indians.
I myself am one of the
teachers in this Agency this
year.

Sincerely yours

Ida Johnson
Grand River Indian Terr.
