New York Sept 7th 1887

Hon J. D. C. Lamar
Secretary of Interior
Sir.

I hereby protest against
the sentiment created by the use
of the Indian scholars from the
school at Carlisle Pa.

They, I understand, are there to be
educated, but the habit of using
them for side shows, at religious
and secular entertainments at
which the hat is passed around
for their benefit, simply makes
a pauper sentiment among them,
like the "Baksheesh" beggars of Egypt
which should make American's blush.

Very respectfully

Geo. E. Sanbrier
