Sir.

A citizen Pottawatomie
Young man of the age of nineteen,
desires me to apply to you for his
admission to your School.

I have known him about one
year and regard him as a sober
steady industrious person, very de-
sirous of bettering his condition by
honest application. Until recently
he was a pupil at Haskell Insti-
tute, Kan. and while there has
become a fair shoe maker.

On a visit to that school last summer I found him in the shop busily engaged at his trade. I was informed by the foreman that this boy was the best workman he had.

His name is Peter Curly. I wish you to request you to provide for his transportation from some point near here (Hulton, or Worton) to Carlisle Pa.

I respectfully enclose for consideration, a letter I received from him in reference to this.

Wrote you, I have received quite a number similar to it.

Very respectfully,
 W. H. Brown
 U.S. Ind. Agent.
