To the Hon.

The Comm of Indian Affairs,
Washington, D.C.

Sir:

I forward herewith letter from M. L. M Kenzie, Clerk in Charge of Pawnee Agency, in which he states that he is in need of a Carpenter, and that if I can send Luther Kubus home at once he will hold a place for him. Luther has made himself a tool chest and provided himself with a good set of tools, and is Capable of doing as good work as any young man of his experience ought to be expected to do. He could not of course plan and build a house but he could be most useful to the Agent, and is one of the very best

Comm

young men at this school.

He is entitled to go home at end of June, and this is only sending him a little in advance. I respectfully request authority to pay the necessary travel expenses and be provided with transportation from Gettysburg Junction to the railway point nearest his Agency.

Very Respectfully

Your Obt Servt -

Dear Sir:-

There is a Pawnee boy at your school by name of Luther Kuhus, who, I see from the newspapers, has been learning the Carpenters trade, and is now a fair workman - ^{and} is preparing to return to the Reservation in a short time - I am in need of a Carpenter at this Agency, and if you will send Luther at once I will hold the place for him - Let me hear from you by return mail & oblige

Respectfully
M. L. McKenzie
