To the Hon.

The Commr. of Indian Affairs,  
Washington, D.C.

Sir:

I forward herewith copy of the floor plan and specifications covering what we propose for the new school building, for which Congress has made provision in the present Appropriation Bill, and I respectfully request that I may be authorized to advertise at once for bids to construct the same. The delay in getting this appropriation and the lateness of the season makes it imperative that we push the matter to the utmost.

Plans covering the foundation, elevation &c., will be forwarded to the Department hereafter. It has been

impracticable to get them in shape before,  
owing to our uncertainty as to the amount  
of the Appropriation. The plans herewith,  
taken in connection with the carefully  
prepared specifications really cover all  
that is necessary.

Very Respectfully  
Your Obed. Servt.
