333 DEPARTMENT RECEIVED INTELLORS. JUL 20 1889

July 19,1888.
Comr. Indian Affairs.

In case of contract between the Supt. of Carlisle School and A.J. Wetzel, for erection of a school building, transmits papers in the case and asks certain instructions.

--000 -- 9 Inc.

easo and in amortionations as security of the manufacture.

INDIAN OFFICE 1888

Department of the Interior, July 21, 1888.

Respectfully returned to the Commissioner of Indian Affairs.

Authority to advertise for proposals and to enter into contract for the erection of the new buildings at the Carlisle School in accordance with the plans and specifications then submitted except such modification in the detail drawings as may be deemed expedient, was granted by the Department in letter on June 19/88.

The Department sees no objection to the inspection of the building by competent person or persons to be duly appointed for such service by the party of the first part, Capt. Pratt, nor to the fact that the party of the first part, Capt. Pratt, shall make payment for the building erected thereunder.

If there are no other objections to the contract no rea-

sons are known why it should not be approved as presented, if otherwise in due form and made in accordance with the authority already granted.

Pepartment of the Interior,

OFFICE OF INDIAN AFFAIRS,

Washington, D. C. July 19th. 1888.

The Hono rable

the Secretary of the Interior.

Sir:

I have the honor to submit herewith, contract in quadruplicate, bond and plans and specifications in connection with a contract entered into between Capt.R.H.Pratt, Superintendent, Indian Industrial School, Carlisle, Pa., and Andrew J. Wetzel, dated the 6th.instant, for the erection of a school building, and to state that on the 12th.instant, this Office called upon Capt. Pratt for an Abstract of Proposals with the result as shown by the accompanying letter. Your attention is respectfully invited to the fact, that Article 2 of the contract provides for inspection of the building by a competent person or persons, to be duly appointed for such service by the party of the first part, and also provides, that said party of the first part, shall make payment for the building erected thereunder.

The appropriation bill expressly provides that this building or work, &c., shall be erected and performed according

to "plans and specifications to be approved by the Secretary "of the Interior", and, referring to Department authority of the 19th.ultimo, I respectfully request instructions in the case, when the inclosures hereof are returned to this Office.

Very respectfully,

A Buphaw Acting Commissioner.

B.
