Hon. Jas. H. Oberly,
Commissioner of Indian Affairs,
Sir:

Referring to Office letter "Education"
date of December 13th, 1888, I have the
honor to inform you that Lizzie Hill,
the half-breed girl, mentioned in your
letter, has been taken to the Carlisle
School with a number of other children
from this Agency by Mr Campbell
who recently visited us for the
purpose of procuring children for
that school. I am of the opinion
that the school is the proper place
for this girl for some years to come,
and that there would be manifest

impropriety in placing her in
the hands of an unmarried

intentions towards her might
be.
