To the Hon.

The Commr. of Indian Affairs,
Washington, D. C.

Sir:

The father of Zippa Medoxen, a pupil of this school from Wisconsin, is nearly blind this winter, and her mother has such an attack of Rheumatism as makes it almost impossible for her to get about. Zippa is the only child they are able to call upon for help. She is a stout rugged girl and has a pretty fair education.

They make such an earnest appeal for her return, and their reasons are confirmed by one of our best returned students now teaching at their Agency.

I therefore respectfully request to be allowed to return her to her home, and to be provided with railroad transportation.

Comm.
