Dear Sir:

There are a number of half bred indian children belonging to this agency who are desirous of attending your Training School - if eligible?
Please advise me whether you can provide for them and the necessary steps to be taken in their behalf - We are not represented at any of the Training schools - although we have a very interesting Agency Day and boarding school - In the event of a favorable reply - could one of the parents be authorized to accompany said children to the school? Your reply will oblige

Respectfully yours

W. D. Sullivan
