Indian Industrial School,
Carlisle, Pa.

July 11, 1889.

To the Hon.

The Commr. of Indian Affairs,
Washington, D.C.

Sir:

I forward herewith nominations of such school employes for the current fiscal year as I desire to make at this time under your authority of June 27, marked "Education 20173". All except four are re-nominations; having been in the service of the School for considerable periods and proved their worth by such service. I desire that my re-nomination of them should be "as to each of them, a full, clear, positive and explicit statement, on my part, of their efficiency and fitness for the service, and their faithfulness and usefulness."

In regard to Miss Hamilton, nominated as teacher, I have to say, that I knew

her as a most excellent teacher at the Cheyenne Agency for years, and at Haskell Institute also. At both places she was always most highly spoken of to me. On my invitation she came here the first of June to fill a vacancy and has demonstrated her fitness under my personal supervision.

In regard to Mrs. N. J. Campbell, I continued her at the old salary instead of nominating at \$600.- as authorized. My present music arrangements are not such as I desire, and I wish that her present reappointment be considered temporary. Mrs. Campbell is a musician of rare worth, but is so cumbered with a family as to be unable to give us the full service we need.

Mrs. Lida B. Given, nominated as Matron for small boys, is the widow of my former School Physician, Dr. O. G. Given. Her more

than six years' residence at the school warrants me in giving his nomination every endorsement and recommendation I can, necessary to secure the appointment.

Miss Maggie E. Jordan, nominated as Assistant Landress, has been her mother's faithful Assistant ever since her mother became Landress at the school.

Miss Seabrook, transferred from teacher to Nurse, has proved her fitness for that position by service in the Hospital at different times while teacher in the school.

Adam Metoxen, nominated as Baker, having been here trained for the place, I trust will not be objected to.

The nominations for other places I have generally arranged for and will forward in proper order as the persons report, which they will do when needed.

Very Respectfully,
Your Obedt Servt

R. H. Pratt
