Hon. Commissioner

of Indian Affairs,

Washington;

Sir:

I will thank you for instructions as to the method of shipment of 5,000 lbs hominy, purchased from Mr. V. W. Wells, at Omaha, for the Carlisle School, there being no provision for transportation between that point and Chicago.

For your information, I beg to state that hominy can be purchased here at \$3²⁰ per barrel of 200 lbs, making the cost at Carlisle \$2¹⁵ per 100 lbs
