To the Hon.

The Commr of Ind. Affairs,
Washington, D.C.

Sir:-

By your several letters to Agents in North Montana in reference to pupils, you instructed that the number from each Agency be made 25, because at first only 100 was contemplated.

Now that we are increasing the number it would be better that each Agent be advised to furnish 40 or more. Referring to your former letter.

Very Respectfully

R. H. Pratt

Capt & Supt.
