May 26, 1890.

To the Honorable,
The Com'r of Indian Affairs,
Washington, D. C.,

Sir:

I am in receipt of information from Fort Lapwai, Idaho, to the effect that there are a considerable number of Nez Perce youth who are desirous of entering Carlisle school. It is stated that a party of 20 or more could be made up who would be suitable material and who are anxiously looking for the opportunity to come.

The statement is made that it would be desirable if practicable, to arrange for them to leave Lapwai before the school is disbanded for the vacation.

If the Department should desire to admit these Nez Perce youth, I am informed that there are desirable parties there who would willingly act as escort; a Miss Lucille Eaves has been mentioned in this respect.

So far as Carlisle is concerned, we desire only to be protected in the material chosen, that it shall be such as
