To the Honorable,
The Com'r of Indian Affairs,
Washington, D. C.,

Sir:

I forward herewith a recommendation from the school physician in regard to certain students now under his care.

All of the students named are entered for return to their homes with the usual July parties, but I fear that date will be too late for some of them and would take the action recommended, at once if possible.

The transportation fund to the credit of this school is exhausted, and I shall not be able to do anything in the matter unless an additional amount can be obtained.

I therefore respectfully request that the sum of Three Hundred (\$ 300.00) Dollars be placed to my credit with authority to expend for the necessary traveling and incidental expenses incurred in returning home the sick pupils named, at once.

Very respectfully,
Your Obedient Servant,

R. H. Crute
