Hon. J. J. Morgan.

Dear sir:

As much as upon in my
mind, that I should write
to you and ask you a certain
matter. That is about going
home. I came here in the year
of 1885 in Sept. 30.th and I
would like to know whether
I am going home, or not,
as I was told before I staid
for Carlisle five years ago,

1809

That in five years time, will
 return to my home, and my
 parents would like to see me
 this summer very much, and
 that I should return to the
 Carlisle next fall. We all
 know that and have ^{the} same
 feelings as the whites, that we
^{love} our parents most, now I
 shall be very glad if you
 just let me know soon,
 whether you could let me go
 and see my people for a
 month or two.

Very respectfully-
 Thomas A. Metoyer,
 (Midd. tribe)
