Sir

In regard to my  
 brother, George Valliere at  
 Carlisle, Pa. I want him  
 to come home as his time  
 is up and he is needed  
 very much on the reservation  
 I have written the Supt  
 Capt. Pratt, twice to  
 send him home, he has  
 refused to send him  
 home, he has been in  
 school five years and  
 graduated and received  
 his Diploma last June

I pray that you will  
see at once that he  
will be sent home at  
once and Oblige Yours
