Asking that an allowance of $167. be made to Samuel Townsend who is attending Marietta College.

INDIAN INDUSTRIAL SCHOOL,
CARLISLE, PA.

October 2nd, 1890,

To The Honorable,

The Commissioner of Indian Affairs,

Washington, D. C.

Sir:-

I am informed by General John Eaton, President of Marietta College, that he has written you in reference to the $167. which might be paid annually toward the support of Samuel Townsend, one of our pupils, who has passed through the Preparatory Department of Marietta at his own cost and has entered the College course but has now used up all of his own means. I can only say that I trust the Department will be able to make this allowance for the support of Townsend, and that with it he can probably make his course through college. He is a capable printer and has worked at odd times in Marietta, and comes here and helps us during vacations. Townsend is unusually ambitious to go through College with a view to the law, for which he has some special qualities.

Very respectfully,

R H. Pratt
