INDIAN INDUSTRIAL SCHOOL,  
CARLISLE, PA.

October 16th, 1890,

To The Hon.,

The Comr. of Indian Affairs,

Washington, D. C.

Sir:-

I am obliged to you for the extracts from report of Inspector Junkin, contained in yours of yesterday marked 31.185, giving such favorable accounts of our returned students at San Carlos. In reference to George Nyruah, I think it best, not by way of apology but by way of placing you in possession of the facts, to inform you that he was a criminal when sent here, that he was taken from the Guard house at San Carlos where he was serving sentence for a very grave offence and sent to Carlisle, that while he was here he was a continual offender against the rules and regulations of the school and spent a very considerable portion of his time in the Guard house. It seems well also to advise you that the ages of these various returned students are very greatly over-stated. In order that you may see how this is I give you the ages as they came here and which I believe were correct.

Constans Bread should be now 22 instead of 30.

C. I. A., 2.

Jose Naedel should be 24 instead of 31.

Modoc Wind should be 18 instead of 24.

Randall Delchey should be 19 instead of 27.

Roland Fish should be 24 instead of 30.

Obed Rabbitt should be 24 instead of 34.

Reuben Whiteman should be 19 instead of 27.

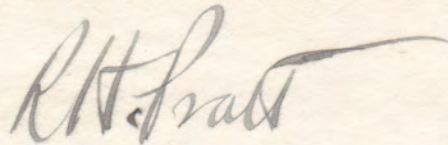

Hiram Doctor should be 23 instead of 32.

Brian Early Bird should be 24 instead of 39.

It is a matter of no importance, of course, only indicating how easy it is to be mistaken. Their ages were established on the best information he could get at the agency by my then School physician, Dr. Given. They were all six years younger then than now and his chances were much better for getting at the truth.

Very respectfully,

Your obt. servt.,

Cap't. 10th Cav'y., Supt.
