SIR:-
Referring to yours of 18th, marked "Education",
39127," in relation to the return of Maggie and Frank Keiser,

pupils at this school, I have already informed the father by
 letter, under date 10th inst., that if he covered the expense of
 their return we would permit them to go home. It is quite
 evident that they are not of sufficient Indian blood to warrant
 the government in accepting any expense on their account. The
 letter of the Commissioners is herewith returned.

Very respectfully,

Your obt. servt.,
