Dear Sir.

In hereto  
as we placed usually five  
years, for the purpose our  
Education to connection  
under your supervision.  
Perhaps you may know the  
the conditions of our race.  
As I do determine to remain  
among your people.  
As far as the education  
concerned. I am ever so  
much obliged for bringing  
me here among the different  
nationalities where I obtained  
knowledge and learned

to be independent.    
I must thank you. You  
clothes me and furnished  
all other articles. As I am  
to be self supported.

For the purpose I asked  
you as come into the  
Union of the United States  
rules, rights and privileges.  
We are sent out from  
the School and placed  
in the country houses  
where we can learn  
and to be self supporting.  
I am remain,

Yours servant,  
James Garcia
