Hon. T. J. Morgan,

Commr. of Indian Affairs,

Washington, D. C.

Dear General:

I have a letter from William F. Campbell, the young man who graduated two years ago from us, and who is studying law in the University of Minnesota. You will remember that you gave him, through me, the greatest encouragement that you would stand by him to the extent of \$167. per year. Mr. Rice, Commr. to the Chippewas, was present in your office at the time and spoke commendatory of Campbell and of his assistance to the commission. The contract was drawn by the Dean of the Law school and forwarded to the Indian Office some time ago, but nothing has yet come of it. Campbell has been depending upon it, and is quite at a disadvantage because it is not attended to. Would it not be possible to at once make the amount available and cover as far back as possible? He is deserving, and the expenditure will bring good returns.

I regret not having seen you yesterday. I arrived in the morning and my time was occupied; and it was important I return in the afternoon.

Yours sincerely,

R. H. Pratt
