To The Honorable,

The Commr. of Indian Affairs,

Washington, D. C.

Sir:

I am in receipt of a letter from Dr. Montezuma and another from Agent Plumb, both of Western Shoshone Agency, Nev., urging me to take a small party of exceptionally bright students from that agency, - five in all. As my funds for the year are so low, I do not see how we can spare more for transportation. This places us in a very unfortunate position with reference to students, as we have been planning for little parties from several quarters. Agent Plumb writes me that he has written you in reference to this matter. If it is possible to use other funds for this purpose, or to make use of the funds of next year's appropriation, by getting the transportation now and paying it hereafter, or to consummate it in any other way, I shall be very glad to take these pupils as well as any others from other agencies, if I have your authority.

Very respectfully,
Your obt. servt.
