INDIAN INDUSTRIAL SCHOOL,  
CARLISLE, PA.

June 8th, 1891.

To The Honorable,

Commr. of Indian Affairs,

Washington, D. C.

Sir:

I enclose a letter from Harvey Townsend, formerly a pupil of this school for a number of years. When he left Carlisle, it was with the distinct understanding, and with oft repeated determination on his part that he would return. After being home sometime, he somehow got into the Albuquerque school. I have heard from him from time to time and have done nothing to persuade him, nor have I criticised his action or the influences that led him to Albuquerque. From his letter, I think he should come back to Carlisle, and I respectfully request that it be so ordered.

Very respectfully,

Your obt. servt.,

Capt. 10th Cav'y.,

Sup't.

Dear Capt.

Carlisle, Pa.

I wrote a letter to you but I didn't send it. And I thought I would write again and send it to you this time. It's a good while ago since I heard from you but I don't think I ever answered your letter yet. I ought to have answered at once. Just a few days ago I got a letter from Miss Patterson. I didn't hear from her for pretty near a year. The last time I saw them both just

before they went back East, they were  
in town. I am feeling very uneasy  
I do wish I could be transferred from  
this place, and go back to Eastern  
school. Do you think I can do that?  
I remember what General Morgan said  
when he was here visiting the school.  
we have a right-to go to other schools.  
I would like to go back to your school,  
till I am ready to go to some other  
school. Although I am working at  
my trade and taking charge of  
company "6" I was placed in charge  
of this Company last fall.

Give my best regards to all my  
friends

Yours truly boy  
Harvey Townsend

P.S. If this be worth it to be answer please send it to Juan Garcia
