Dear Sir.

I have written to Capt R.H. Pratt, Supt. of Carlisle Indian School to send my girl back, but without any effect. So I thought I would try once more, but to other officer. My wife or her mother is very ill and we do not see any other way, but to get our own daughter to help her mother long. I can not afford to get any body to help us along. I have three girls at Carlisle and want the oldest one to come home. She is now has been out in east, just six years next march. Please be kind enough to send my daughter back as I need her bad, or see that she is back.

Respectfully Yours
George King
