Requests to be informed  
as to visit of Piegan chiefs.

Washington, D. C.

Letter to Pratt, Dec. 17/91.

Dec. 17, 1891

Very timely notice  
of any and all  
such a visit  
Yours  
Pa

Sir:

I am informed by the students from Blackfoot Agency that  
a party of Piegan chiefs and principal men are either in  
Washington now, or will be in a day or so, and that they con-  
template visiting this school as they return. A number of  
the students from that Agency are in the country and it would  
be desirable, perhaps, that they should be brought in to see  
their friends. I should be glad to be informed of the  
circumstances in time to enable me to call in these students.

Very respectfully,

Your obt. servant,

R. H. Pratt
