The Honorable,

The Commr. of Indian Affairs,

Washington, D. C.

Sir:

I enclose letter from Below Cozad, a Kiowa, formerly a student at this school, who claims that some promise was made by the Commissioner when at the Agency, to help him get a shop. Below was here only about two years and, of course, is not very proficient in his trade, but he was a very worthy young man, and would, I think, use as well as he knew how any help that might be given to him. Beyond this, I do not urge his appointment, or claim that the government must provide places for educated youth or partially educated youth. This, I think, is a mistake.

Very respectfully,

Your obt. servt.,

Capt. 10th Cav'y.,

Supt.

United States Indian Service,

A. C. White Agency,
