Sir:

I enclose communication from my Mr. Campbell, together with a list of names of students belonging to the Cheyenne & Arapahoe tribes. There is no real need for these students to have the money. If it is safe in the Treasury for them until they are through at Carlisle it would be just as well.

Capt. R. H. Pratt,
Supt.

Sir:

A number of the Cheyenne and
Arapahoe boys came to me and asked if
~~an~~ arrangement could not be made
whereby they could be paid the annuities
due them under the recent treaty.

They say the treaty was sent here
for their approval and they signed.

None of them received the payment
made last year and they understand
a second payment has been or will be
made this month.

I enclose a list of their names.

Very Respectfully,

W. T. Campbell,
Disciplⁿ
