Replying to yours of July 28th, marked K, in reference
to my previous intimation that I proposed to visit the Southern Mts
Reservation for children, I have respectfully to advise you that
the intimation I had previously received not to go into certain
details for children, led me to hesitate and finally to abandon
this trip, and to pay my expenses to and for myself.
I have, therefore, nothing to report in reference to
that matter.

Very respectfully,

P. H. Pratt

To the Honorable,
The Commr. of Indian Affairs,
Washington, D. C.

Sir:--

Replying to yours of July 28th, marked E, in reference to my previous intimation that I proposed to visit the Southern Ute Reservation for children, I have respectfully to advise you that the intimations I had previously received not to go into certain districts for children, led me to hesitate and finally to abandon this trip, and to pay my expenses to and from Denver myself.

I have, therefore, nothing to report in reference to that matter.

Very respectfully,

Capt. & Supt.
