August 15th, 1892.

To the Honorable,

The Commr. of Indian Affairs,
Washington, D. C.

Sir:--

In the absence of Capt. Pratt, it becomes my duty to inform you of the sudden death, on Saturday evening last, of Chief Clerk Charles H. Hepburn.

This will explain and I trust excuse any delay that may occur in the prompt forwarding of statements and accounts now due. He was on duty as usual during the whole of Saturday, and went to his home in town in the evening in apparent good health. At seven (7) o'clock was found in an unconscious condition, dying soon after.

Very respectfully,

A. J. Standing
Asst. Supt. in charge.
