To the Honorable,
The Commissioner of Indian Affairs,
Washington, D.C.

Sir:

I enclose a letter from Julia Bent former graduate of this school now attending the State Normal School at Shippensburg. I have found that it is far better for the persons or their parents to bear part of the burden of their education where that is possible. Julia has in her own right plenty of means and property and should not call upon charity to help her through. Her expenses will be a little more than \$200.00 per year. She has in savings \$75.00. What she wants now is her portion of the annuity. This with her savings will carry her through the first year nicely, after that she depends upon selling some of her stock or on the rental of her land. I trust her request may be complied with.

Very respectfully,

Your ob't servant,

Capt. 10th Cav.
Supt.

Dear Sir:-

I have now entered
a State Normal School. And it
necessary, that I should have
the money due me. I am a
Cheyenne, from Cheyenne & Arapaho
Agency, Oklahoma Territory, and
I have money in the Treasury
due me. And you advised me
in your letter to me, to use this
money in giving my-self a
higher training. I will ask
you by Capt Pratts permission

by mine, to send it to Capt. Pratt.
The sum due me. I have entered
the First Junior class, and
I am getting along very nicely.
I have made a number of
friends, and I am treated
very nicely. I consider this
a practical school, and I have
excellent teachers, who take
interest in me. I shall make
use of my opportunities.

Very Respectfully
Julia Bent
