Oneida Wis Oct 24th 1892

To Honorable T. J. Morgan
Commissioner of Indian Affairs
Washington, D. C.

Sir:

I earnestly ask your favor
to cause that Phebe Baird,
an Oneida girl 18 years old,
be send back to school
at Carlisle.

I enclosed her letter to
me so you can see our
wishes - Phebe has been
away from home about
eight years I think she was
sent away from Carlisle
most of the time.

Further I ask you that she
be send home next year -

The reason I did not write
over

to Captain Pratt because
I think he would believe more
what they reports to him of
those he sends out to visit
the Carlisle students to farms
than he would of my letter,
although I believe Capt Pratt
always means to do what is right.

I hope you would see fit to
attend to my orphan grand daughter
Phebe Baird -

Your obedient servant
Thomas John, sr.

Dear Grandpa Oct 13 1892

I will now drop a
 few lines to you this
 evening and as you know
 that I'm well and I
 hope you are the same
 I'll Grandpa the reason
 why I'm writing this
 letter is because I'm going
 to tell you that I'm not
 been at school for some
 time and I want you
 to see if I can stay

(received Oct. 24, 1892 (Wis.))

in school if you are
going to write to Capt.
please let me know
right away so
I won't be out of
school too long.
you was¹ the one that
made me go to school
so I thought I had
right to ask you
to write to Charlie
and tell them that
you send me to school
I shall be very glad if
you should intend this
question right away
because I would much
rather learn something
