Dear Sir

I will drop you
a few lines to ask you
permissions for my
boy to come home
to Carlisle and
we wrote to Capt
Pratt for him to
come and he said
he is to stay there
until his term
is over and also he
said I didnt have
nothing to do with him
only his mother
but my wife told me

to write to him,
and he said who ever
send him down
there as more to do
with it. - So we will
let you know just
the way it happens.
The Boy went away
with our permission.
I was not at home
when he started
to go and he went
and hid his mother
she try and stop
him. I all she ever.
I wish you write to
captain Prattle send
the boy, and ^{me}
send some money
to pay his fair
I wish you would
see about that -

I would not
send for him
but my wife is
always sick and
myself. I have got
nobody to help
me and I getting
pretty old I can work
me I would be very
glad to have
him home
It would oblige
us very much

Your truly

Mr & Mrs L. S. Brumby
