Dear Sir

Mr Morgan.

I am now to

consider myself in
writing to you

While I have few opportunities
to inform you that
I am getting on so
quitably well.

But the reason is this
I wanted to write you.
I went up to Capt Pratt

about ^{ask him} to go school all
day, could he do not
write me to go school
all-day. And I wanted
to tell you how long I stay at
this school. I been here almost
9 years but I have not learn
much as I ought to,
Well Mr Morgan, if I
can go school all day I want
to ask you to go after
Christmas;

From your
respectful. D

Morgan Toprock,
from San Carlos
Arizona,

Hoping to hear from you a gain,
