To the Honorable,

The Commissioner of Indian Affairs,  
Washington, D. C.

Sir:

Replying to yours of the 2nd instant, marked "Education, 3571," stating that you are in receipt of a letter from Miss Elspeth L. Fisher, Principal Teacher at this School, in which she states that I have notified her that her services will not be required after June 30, 1893, and referring to me for testimonial as to her success while at Carlisle and asking me to furnish such statement as I would desire to place on file at your Office, I have to respectfully advise you that Miss Fisher's service as teacher at Carlisle began September 1, 1880, and that she has been principal teacher since December 1 1887. She is well educated, a christian, is industrious, a good teacher and fair principal for our large school. The training she has had here, her character, and long service, warrant her appointment to a subordinate place in any other school under the Department, and she would do well as the manager of a small school.

Very respectfully,

*R. H. Pratt*  
Capt. & Supt.
