To The Hon. Com. of Ind. Affs.
Washington, D. C.

Dear Sir:-

Pardon the liberty I take
in addressing you, but I have
been advised to do so by one who
is well aware of the condition of
affairs at this school and for
reasons which I will state if
necessary.

I would like as soon as possible
to be transferred to the Indian
Training school at Carlisle.

Pa. as I have a very intimate friend,
Miss Birch, who has recently received
an appointment there and who is
delighted with the situation; also
because the unjust dismissal of Miss
Dickson by the superintendent in
charge at this place causes me
to fear that I too may be removed
without any cause whatever.

It is my desire to teach for
some time in an Indian school
but I much prefer Carlisle
as a field of labor.

Hoping to receive a favorable

reply, I am

Yours very respectfully
(Miss) Carrie J. Marr.
