To

Whomsoever it may concern.

I gives me great-
pleasure to recommend
Miss Catharine Caryl as
a teacher who does her
work conscientiously, thō-
ughly - with a right un-
derstanding of the teacher's
mission to build up
intelligent character -
and one whose influence
over her pupils is uplifting.

Respectfully

Elspeth L. Fisher

Carlisle, June 26, 93

To the Commissioner

Dear Sir

My application for
a transfer is in Captain
Pratt's hands and will,

I suppose, be forwarded
to you today. As

the Captain has suddenly
and unaccountably

become very unfriendly
to me, it seems to me
best to send you a
letter written by Miss
Fisher who had been
Principal five years
when she was transferred
to Albuquerque last spring.

She said to me "You
ought to be Superintendent
of a school; you are
just fitted for such a
position."

As you have transferred

from Carlisle teachers to
places with salaries of
\$900 and \$1000. may I not
hope that you will do
equally well for me?

If a leave of absence
beginning with July 1
will not interfere with
appointment to a good
position, I shall be glad
to have it, for I have been
teaching without inter-
mission since the
first of last September.

If you prefer to see

me before making an
appointment to some
very good place, I shall
be very glad to go to
Washington tomorrow or
Wednesday.

Hoping, sir, for word
of a good opening.

I am yours respectfully

C. Caryl
