In reply to:

DEPARTMENT OF THE INTERIOR,
INDIAN SCHOOL SERVICE,
OFFICE OF SUPERINTENDENT,

Carlisle, Pa., Jan. 6, 1894.

To the Honorable

The Commissioner of Indian Affairs,

Washington, D. C.

Sir:-

My School Physician notifies me of the need of additional medicines in his Department, stating that the medicines are not on hand and were not estimated for this year. He states that he has prepared the estimate carefully with a view to economy and the best interests of the school. He says the supplies are needed at once. He adds also that Alcohol and Arrowroot from estimates of last year have not arrived, and that both are essential. His estimate is herewith enclosed. I respectfully request that the same be filled through ~~orders through~~ the New York Warehouse, or that I be authorized to purchase.

Very respectfully,

Capt. 10th Cavalry, Supt.
