Dear Sir:-

I am instructed by the Commissioner of Indian Affairs to receive the boy, Peter Deer, as a pupil of this school. If he is not a boy who has been here before and you feel entirely sure of his conduct and morals send him up.

Yours truly,

Capt. 10th Cavalry, Supt.

Capt. R. L. Pratt — Dear Sir: —

Mr. Tho. Dominic and the father of Peter Deer called on me this morning and presented your reply as above. I understand from their statements that Peter Deer was a pupil in your school for a month or six weeks last summer. They do not seem to know why he was discontinued. The boy seems anxious to return to school. Is there any way by which he

could be re-admitted to your school? If not
could you suggest any other school to which
he could be sent? I may mention that
I have no knowledge of, or interest in the matter
except to aid the boy in getting a chance
to make something of himself.
