Sir: I have the honor to receive letter from a
girl in Caribby, whose people are very
desirous that she should be returned

My Dear Brother:-

I must let you know that I am out in the country again this summer. I had been out for two years at Hickersham but I went back to Carlisle year from last April. I came out into the country on 25 of April and I like my country home very much & the peoples are so kind to me so I always willing to work for them and I do my very best too.

I had a letter from my father before I came out so I answer him but I have not heard from him since and he told me that my mother was sick and am I sorry to hear that.
My dear brother you must be kind

and to work ^{for} my father all you can.

Mr. Lindsey told me that you are good boy and am I glad to hear that you trying to be good keep on brother dont ever look back but look on fareward and to do right all the time.

I would like to hear from you soon again and tell me all the news about my parents and tell them that I am well and happy at my new country home.
