Dear Sir -

I regret that my seeming neglect in not handing in my certificate of attendance at the Colorado Summer School has caused delay in the forwarding of the same, and others.

On leaving I did not procure it, but wrote to Prof. Edwin Dexter the Director sending him my card of admittance - all the evidence I had - telling him my reasons for a prompt reply. He failed to respond and I have written the third communication.

I left Lawrence Kan. July 11th, spent two weeks at the school, returning the 28th. I hope to be able to hand the certificate in soon.

Very respectfully,
Amos Hamilton
