Dear Gen. Sir:

It is your
imperative duty to remove Capt.
Pratt, Sixth United States Cavalry,
from his present position as superintendent
of the Cadets Indian School.

I cannot find justification
for the retention of such a
person in such a place

DEPARTMENT OF THE INTERIOR RECEIVED
APR 20 1895
8034 INDIAN OFFICE
Inclos. No. 1895

As the Public Press says,
He is unfit by nature and

temperament to teach Children
of different religious convictions
He is brutal, impudent and

unworthy, and it is your
plain duty to remove him

As the 10,000,000 of Paids dies

in this County he is asked to keep
such a man in office, who
strives to prostitute the religion
of those under his especial charge.

Yours truly
Wm. Coy, No. Rev. J. W. Dean
